To Whomsoever It May Concern

This is to certify that Mr. Naman Chhaparia has completed his internship as an AI Engineer at The Rental Studio from 30th April, 2024 to 30th July, 2024.

He built a model which auto classifies an image uploaded by a lender into the correct category. This model automated the whole upload process and eliminated the need for human intervention.

During his internship, he demonstrated excellent domain knowledge with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

We wish him all the best for his future endeavors.

Sincerely yours,

Aditya Jain
